

## CURRICULUM VITAE

### **CARL P. SCHMERTMANN**

#### Business Address

Center for Demography & Population Health  
Florida State University  
Tallahassee, FL 32306-2240  
850/644-7100  
Email: schmertmann@fsu.edu

#### Home Address

5232 Greystoke Lane  
Tallahassee, FL 32309  
850/894-9342

Birthdate: 1959  
Birthplace: Gainesville, Florida

#### **EDUCATION**

**Ph.D., Economics, University of California-Berkeley**, December 1988.  
Dissertation: "Self-Selection and Internal Migration in Brazil"  
Advisors: Albert Fishlow and Ronald Lee

**B.S. (with distinction), Economics, University of Wisconsin-Madison**, May 1981.

#### **PROFESSIONAL EXPERIENCE**

Assistant to Full Professor, Department of Economics, and Research Associate, Center for the Study of Population, **Florida State University**. August 1990 - present. (promoted August 1996, August 2003)

Visiting Researcher, **Max Planck Institute for Demographic Research**, Rostock, Germany. Oct 2011-Jun 2012 (2011-12 academic year sabbatical)

Visiting Researcher, **US Census Bureau**, Population Division, July 2011. (Summer at Census program)

Visiting Research Fellow, Population Research Center, **University of Texas-Austin**, Aug 1998-Jul 1999

Visiting Assistant Professor, Departments of Demography and Economics, **University of California, Berkeley**. January-June 1993.

Visiting Professor of Economics, Center for Regional Development and Planning (CEDEPLAR), **Universidade Federal de Minas Gerais**, Belo Horizonte, Brazil. 1989-1990, and August 2011 (graduate short course on Bayesian small-area estimation).

Assistant Analyst, **Congressional Budget Office**, Human Resources and Community Development Division, Washington, DC. 1981-1983.

#### **FELLOWSHIPS AND AWARDS**

**Max Planck Institute for Demographic Research**, Best Paper published in *Demographic Research* 2003. (International competition).

**Rockefeller Foundation**, Post-Doctoral Research Fellowship in Population Sciences, CEDEPLAR/UFMG, Brazil, 1989-90. (National competition)

**NICHD** Traineeship in Population Studies, UC Berkeley, 1987-88. (Departmental competition)

**National Science Foundation**, Pre-Doctoral Fellowship in Economics, 1983-85. (National competition)

Best undergraduate thesis in economics, **UW-Madison**, 1981 (Departmental competition)

Phi Beta Kappa

## **EXTERNAL GRANTS AND CONTRACTS**

**NIH Grant** for "Fertility Transition in Brazil 1960-2000 " (HD041528; 09 Jul 02- 08 Jul 05; co-PI with J. Potter, U. Texas; \$540K direct costs)

**NIH Grant** for "Immigration and Changes in US Fertility " (01 Jun 01- 31 May 04; co-PI with G. Swicegood, U. Illinois, and F. Bean, UC-Irvine; \$600K direct costs)

**NIA Grant** for "Post-Immigration Mobility of the Foreign-Born Elderly" (AG14509; 30 Sep 97- 31 Dec 98; \$40K direct costs)

**US Census Bureau Contract** for "Analysis of 1996 American Community Survey Test Data for Brevard County, FL" (\$10K)

## **PEER-REVIEWED PUBLICATIONS**

JB Elsner and CP Schmertmann, "A Long-Lead Seasonal Forecast of Intense Atlantic Hurricane Activity for 1993," *NOAA Experimental Long-Lead Forecast Bulletin*, March 1993.

## MANUSCRIPTS

CP Schmertmann and R Rau, "Stationary fertility trajectories and negative population momentum under continually falling mortality", under review at *Demography*.

CP Schmertmann, E Zagheni, and J Goldstein, "Forecasting cohort childlessness: Bayesian modeling based on historical patterns in the Human Fertility Database", manuscript in progress for submission to *Demography*

CP Schmertmann and R Rau, "Revivorship and inequality in age at death", manuscript in progress

## PROFESSIONAL PRESENTATIONS

### International Meetings

CP Schmertmann, E Zagheni, J Goldstein and M Myrskylä, "Bayesian Forecasts of Cohort Fertility". First Human Fertility Database Conference, Rostock, Germany, Nov 2011.

CP Schmertmann, SM Cavenaghi, RM Assunção, and JE Potter. "Bayes plus Brass: Automated Estimation of Thousands of Small-Area Demographic Rates from Sparse and Possibly Defective Data". Seminar on Current Issues and Frontiers in Demographic Methods. CEDEPLAR. Belo Horizonte, Brazil, Jun 2011.

CP Schmertmann, "Immigrants' Ages, Dependency, and Intergenerational Transfer Systems in Populations with Below-Replacement Fertility", Vienna Workshop on Optimal Fertility, Austrian Academy of Sciences, Dec 2010.

CP Schmertmann, "Continuous Surveys: Challenges and Opportunities". PAA/Latin American Population Association (ALAP) workshop on the American Community Survey. Havana, Cuba, Nov 2010.

CP Schmertmann, RM Assunção, and JE Potter. "Knox meets Cox: Adapting Epidemiological Space-Time Statistics to Demographic Studies". International Union for the Scientific Study of Population (IUSSP), Marrakech, Morocco, Sep 2009.

### National Meetings

CP Schmertmann and R Rau, "Stationary fertility trajectories and negative population momentum under continually falling mortality", Population Association of America. San Diego CA April 2015.

CP Schmertmann, E Zagheni, and J Goldstein, "Forecasting Cohort Childlessness: Bayesian Modeling Based on Historical Patterns in the Human Fertility Database". Population Association of America. New Orleans LA April 2013.

CP Schmertmann, J Goldstein, M Myrskylä, and E Zagheni, "Forecasting Fertility: Using Bayesian Methods to Extrapolate Trends while Preserving Cohort Features". Population Association of America. Washington DC March 2011.

CP Schmertmann, RM Assuncao, JE Potter, "Adding Structural Variables to Space-Time Interaction Tests: An Application to Fertility Transition in Brazil". Population Association of America. New York March 2007.

JE Potter, RM Assuncao, CP Schmertmann, SM Cavenaghi, "Measuring the Timing and Pace of Fertility Decline in Brazil Using a Bayesian Spatial Estimation Procedure". Population Association of America. Los Angeles. March 2006.

M Sobczak, CG Swicegood, and CP Schmertmann, "Constructing Fertility Measures with the Own-Children Technique: Old Methods for New Data". Population Association of America. Philadelphia. April 2005.

CP Schmertmann, CG Swicegood, and FD Bean, "Reconstructing Past Fertility Schedules for Hard-to-Estimate Groups from CPS Data". Population Association of America. Boston. April 2004.

SM Cavenaghi, JE Potter, CP Schmertmann, and RM Assunção, "Estimating Total Fertility Rates for Small Areas in Brazil". Population Association of America. Boston. April 2004

JE Potter, CP Schmertmann, and SM Cavenaghi, "The Spatial Diffusion of Fertility in Brazil: How Large is the Effect?". Population Association of America. Minneapolis. May 2003.

RM Assunção, CP Schmertmann, and SM Cavenaghi, "Bayesian Multivariate Spatial Estimation of Small-Area Fertility Schedules". Population Association of America. Minneapolis. May 2003.

CP Schmertmann, CG Swicegood, and M Sobczak, "Immigration's Impact on US Fertility: An Exploratory Analysis of Recent Trends". Population Association of America. Atlanta. May 2002.

CP Schmertmann, "A Simple Method for Estimating Age-Specific Rates from Sequential Cross Sections". Population Association of America. Washington DC, March 2001.

JE Potter, CP Schmertmann, and SM Cavenaghi, "Development and Fertility: A New Perspective based on Brazilian Census Data". Population Association of America. Los Angeles, March 2000.

CP Schmertmann, M Boyd, W Serow, and D White, "Mobility and Living Arrangements of the Foreign-Born Elderly in the United States". Population Association of America, New York, March 1999.

CP Schmertmann, "Demographic Research with the American Community Survey: A Preliminary Study of the 1996 Test Site in Brevard County FL". Population Association of America, Chicago, April 1998.

CP Schmertmann, "Early Results from the American Community Survey 1996 Test Site in Brevard County FL". American Community Survey Conference, US Bureau of the Census, Suitland MD. March 1998.

CP Schmertmann, AA Amankwaa, and RD Long, "Three Strikes and You're Out: The Demography of Mandatory Prison Sentencing", Population Association of America, San Francisco, April 1995.

AA Amankwaa, IW Eberstein, and CP Schmertmann, "Polygyny and Infant Mortality in Western Africa: Evidence from Ghana", Population Association of America, San Francisco, April 1995.

JB Elsner, CP Schmertmann, and JC Hess, "Long-Lead Seasonal Predictions of Intense Atlantic Hurricanes Using a Non-Linear Statistical Model," 20th Annual Conference on Hurricanes and Tropical Meteorology, San Antonio TX, May 1993.

### Regional Meetings

CP Schmertmann, "Bayesian Modeling of Small-Area Mortality Schedules". Southern Demographic Association, San Antonio TX, Oct 2015.

CP Schmertmann, "Controlling for Population Shifts in Space-Time Interaction Measures". Southern Demographic Association, Montgomery AL, Oct 2013.

CP Schmertmann, E Zagheni, and J Goldstein. "Forecasting Cohort Childlessness", Southern Demographic Association, Williamsburg VA, Oct 2012.

CP Schmertmann, E Zagheni, and J Goldstein. "Forecasting Cohort Childlessness", Southern Demographic Association, Williamsburg VA, Oct 2012.

CP Schmertmann, "Bayesian Models for Temporal Smoothing of American Community Survey Estimates", Southern Demographic Association, Knoxville TN, Oct 2010.

CP Schmertmann, "Improving ACS Estimates with Bayesian Models and Priors", Southern Demographic Association, Galveston TX, Oct 2009.

CP Schmertmann, "Markov Chain Monte Carlo Estimation of Fertility Rates for Small Subpopulations from the CPS". Southern Demographic Association. Greenville SC. October 2008.

CP Schmertmann, "Empirical Bayes Estimation and the American Community Survey". Southern Demographic Association, Birmingham AL, October 2007.

CP Schmertmann, RM Assunção, JE Potter, and Suzana Cavenaghi, "Spatial Analysis of Brazil's Fertility Transition(s)". Southern Demographic Association, Oxford MS, November 2005.

CP Schmertmann, CG Swicegood, and FD Bean, "Immigrant Contributions to US Fertility". Southern Demographic Association, Hilton Head SC, October 2004.

CP Schmertmann, "Not Another Period Fertility Index?!? Combining Total Fertility and Average Parity". Southern Demographic Association, Arlington VA, October 2003.

CP Schmertmann, "A New System of Model Fertility Schedules with Graphically Intuitive Parameters". Southern Demographic Association, Austin TX, October 2002.

RM Assunção, SM Cavenaghi, and CP Schmertmann, "Automating the Production of Small-Area Demographic Estimates from a Census: Municipio-Level Fertility in Brazil". Southern Demographic Association, Austin TX, October 2002.

JE Potter, CP Schmertmann, and SM Cavenaghi, "Spatial Analysis of Brazilian Fertility Change". Southern Demographic Association, Miami Beach FL, October 2001.

CP Schmertmann, "Formal Demographic News You Can Use: A Simple Method for Estimating Age-Specific Rates from Cross Sections". Southern Demographic Association, New Orleans LA, October 2000.

CP Schmertmann, M Boyd, W Serow, and D White, "Mobility, Migration, and Living Arrangements of the Elderly", Southern Demographic Association, Annapolis MD, October 1998

CP Schmertmann, "Estimating Transition Hazards from Last-Move Data", Southern Demographic Association, Orlando FL, September 1997

CP Schmertmann, M Boyd, and W Serow, "Migration of the Foreign-Born Elderly 1985-1990," Southern Demographic Association, Memphis TN, October 1996.

CP Schmertmann and G Shultz, "Migration After Abolition: Gross Migration Rates 1880-1940 estimated from 1940 US Census Data," Southern Demographic Association, Richmond VA, October 1995.

CP Schmertmann, AA Amankwaa, and RD Long, "Three Strikes and You're Out: The Demography of Mandatory Prison Sentencing", Southern Demographic Association, Atlanta GA, October 1994.

R Hummer, CP Schmertmann, and IW Eberstein, "Wantedness and Birth Outcomes", Southern Demographic Association, Charleston SC, October 1992

CP Schmertmann, "Immigrants' Ages and the Structure of Stationary Populations with Below-Replacement Fertility", Southern Demographic Association, Jacksonville, FL, October 1991.

CP Schmertmann, TJ Mathews, and CB Nam, "The Relative Effects of Fertility, Mortality, and Migration on School Entry Age Populations in U.S. States" . Southern Demographic Association, Jacksonville FL, October 1991.

## PRIMARY RESEARCH INTERESTS

Statistical Demography  
Formal Demography  
Demographic Methods

## COURSES TAUGHT

### Graduate

Applied Econometrics	FSU	
Econometrics:Simultaneous Equations	FSU	
Economic Development	FSU	
Human Migration	UC Berkeley	
Seminar in Population Economics	FSU	
Mathematical Demography	FSU	
Techniques of Migration Analysis	CEDEPLAR	S90 (in Portuguese)
Statistical Analysis in Demography	CEDEPLAR	F89 (in Portuguese)
Population Data	FSU	

### Undergraduate

Economics of Population	FSU
Economic Demography	UC Berkeley
Introduction to Economic Thinking	FSU
Introduction to Econometrics	FSU
Forecasting	FSU

## ADVISING

### Doctoral Committees

Junxian Geng	: Statistics, current
Ketsia Dimanche	: Economics, current
Audrey Murphy	: Economics (Chair), F11
Neha Nanda	: Economics (Chair), F11
DeAnna Gore	: Sociology/Demography, S11
Patrick Murphy	: Economics, Summer 09
Kathy Heyman	: Sociology/Demography
Sarah McKinnon	: Sociology/Demography [U. of Texas - Austin]
Ali Al-Malki	: Economics, F07

Nick Charron : Political Science, S07  
 Douglas White : Economics  
 Elizabeth Grieco : Sociology, F00  
 Suzana Cavenaghi : Sociology/Demography [U. of Texas - Austin], S99  
 Shailesh Bandhari : Economics (Chair), S98  
 Mike DuMond : Economics, S97  
 Ida Permana : Sociology/Demography, F96  
 Robert Hummer : Sociology/Demography, S93

### Masters Committees

Laura Cilek : Demography, Summer 15  
 Stephen Holzman : Demography, Summer 15  
 ...  
 Matthew Stoffel : Demography, Summer 11  
 Sabrina Webb : Demography, Summer 11  
 David Howell : Demography, Summer 11  
 John Donohue : Demography, Summer 11  
 Kimberly Wicker : Demography, Summer 11  
 William Keith : Demography, Fall 10  
 Melissa Kressin : Demography, Summer 10  
 Nathanael Myers : Demography, Summer 10  
 Dillon Simon : Demography, Summer 10  
 Travis Tunis : Demography, Spring 10  
 Chun-lin Lin : Demography, Summer 09  
 John Thrasher : Demography, Summer 09  
 Heather Mauney : Demography, Summer 08  
 Matthew Hauer : Demography, Summer 08  
 Katie Giannamore : Demography, Summer 08  
 Carlos Diaz : Demography (Chair), Summer 07  
 Alexy Ots : Demography  
 Brian Gee : Economics, S02  
 David Malone : Economics, Summer 00  
 George Holeckso : Economics, S00  
 Brian Hays : Demography, F99  
 Jimmy Pastrano : Geography  
 Jason Devine : Demography (Chair), S98  
 Sean Candrilli : Economics, F98  
 Tarteashia Williams : Economics (Chair), Summer 97  
 Timothy Ogamba : Economics, S97  
 Paul Shelton : Demography, Summer 97  
 Gerald Shoultz : Demography (Chair), Summer 96  
 Xiangyun Cao : Demography (Chair), Summer 96  
 Mary Malval : Demography (Chair), F94  
 Robert Long : Demography (Chair), F94  
 EdYoung : Demography, S94  
 Riza Badarsah : Demography (Chair), F93  
 Ron Cossman : Demography, F93  
 Chingfa Wu : Demography, F93  
 Ade Armando : Demography, S91

T.J. Mathews : Demography, F91

### Other

Siu-Len Quant : Directed Independent Study (population aging and trade), S08  
Geoffrey Bakker : Undergraduate Honors Thesis (Chair), Summer 07  
Nathanael Gay : Directed Independent Study (advanced mathematical demography), S98  
Elizabeth Grieco : Directed Independent Study (readings in economics of migration), S97  
Philippe Accilien : Directed Independent Study (readings in population and development), S96  
Gerald Shoultz : Directed Research (techniques for estimating migration rates), S95  
Laurie Friel : Undergraduate DIS (population and environment in China), F95  
Mike DuMond : Directed Independent Study (readings in population economics), S95  
Olney Daly-Hill : Directed Independent Study (multistate methods for study of disability), S92

## **DEPARTMENTAL/UNIVERSITY SERVICE**

### FSU Population Center

Executive Committee (2007-2011)  
Admissions Committee (2007-2011)  
Associate Director (1998-present)  
Co-organizer of Population Center seminar series (1994-99, intermittent)

### FSU Department of Economics

Executive Committee (1994-95 & 1995-96)  
Master's Comprehensive Exam Committee (1992-1993, Chair Fall 93)  
Econometrics Field Exam Committee (1994-present)  
Economic Development Field Exam Committee (1991-present)  
Population Economics Field Exam Committee (1991-present)  
International Economics Field Exam Committee (1995, 1996)  
Computational Economics Field Exam Committee (1995)

### FSU College of Social Sciences

Information and Data Processing Committee (1992-)  
Policy and Academic Affairs Committee (1997-98, 2004-5, 2009-10)  
Promotion and Tenure Committee (2008-10)

### University-Level

University Teaching Incentive Program (TIP) Selection Committee (1996)  
Promotion and Tenure Committee (2009)  
Academic Honor Committee (2013-)

## **OTHER PROFESSIONAL ACTIVITY**

Editor in Chief: *Demographic Research* (Oct 2011-present)

Associate Editor: *Demographic Research* (2008-11)

Editorial Boards:            *Demography* (-2009)  
                                   *Population Research and Policy Review* (-2008)

Referee:                            *Journal of Development Economics, Demography, Mathematical  
Population Studies, International Migration Review, Journal of  
Productivity Analysis, Research on Aging, Papers in Regional Science,  
Demographic Research, Population Studies, Adoption Quarterly*

Grant Reviewer:                *National Institutes of Health, Social Sciences and Population Panel  
National Science Foundation*

Professional Committees:      Census Advisory Committee for Professional Associations (PAA)  
   US Census Scientific Advisory Committee (2009-12).

## **PROFESSIONAL MEMBERSHIPS**

American Economic Association  
Population Association of America  
Southern Demographic Association (member, Board of Directors 1995-96, 1997-2000;  
   Vice President 2000; President-Elect 2001; President 2002)  
American Statistical Association

## **LANGUAGES**

Portuguese        : very proficient (able to teach university-level courses, review professional papers, etc.)  
Spanish            : fair reading and listening comprehension
